

FISCHER PREPARES FOR WEST YELLOWSTONE THANKSGIVING SKI FEST 2016

Fischer's high end skis and boots are at a level of performance and sophistication that it is best to work with consumers through on line reservations at West Yellowstone instead of the cattle call at the trail head. Fischer will continue with its online registration to reserve skis and boots for the Fall Ski Fest during Thanksgiving. The new gear deserves to be given to consumers in a setting where it can be explained and properly fitted. This is best done in the Fischer booth at the Expo each night.

The registration process is quite simple. Go to <http://tinyurl.com/fischerWEST> and fill out the form. You will receive a confirmation and reservation number within 48 hours. Pick up and return for the demo gear is at the Holiday Inn at 315 Yellowstone Ave. For a map, click on: <http://mapq.st/15k1fPo> Quantities are limited so do not delay. The schedule for pick up / demo / return is:
