Team CXC joins WorldCup Superstar Peter Northug, and thousands of other athletes who make Swenor the World's #1 rollerski choice due to its on-snow feel. Kris Freeman, whose high mileage training days are legendary states, "These wheels are the perfect speed and durable. I have no more wasted time with wrenches constantly changing wheels." Gold Medalist Billy Demong says, "Swenor's shafts make rough pavement feel like perfect corduroy snow and saving my feet and legs." CXC director Yuriy Gusev states "every athlete has different needs and Swenor offers an appropriate model for every skier." **When your entire team is ready to make the shift to Swenor contact [info@swenorsports.com](mailto:info@swenorsports.com).**
