# Press Release

**Bemidji MN, January 26, 2024**

The Minnesota Finlandia Community Health Sports Board would like to announce that the Minnesota Finlandia Cross Country Ski Marathon for 2024 has been cancelled. The event was to be held February 17<sup>th</sup>, at Buena Vista Ski Area. Lack of snow cover and warm temperatures to come were the reason for cancelling. The Minnesota Finlandia always strives to provide a quality race that is enjoyable and safe. Decisions to cancel are never easy to make and come with great sadness. Our hope is that the remainder of the always short ski season shows more promise. We are truly sorry to make this decision and hope to see you all next year at the Minnesota Finlandia 2025.

For information and updates or to volunteer with races, check out [www.minnesotafinlandia.com](http://www.minnesotafinlandia.com) or Facebook.
