

The 13<sup>th</sup> Annual Revolution Cycle and Ski Single Track Escape is set to go on June 3<sup>rd</sup> ! Trail conditions are excellent and course loops have been designed for both wet or dry conditions depending upon how this weeks weather pans out. This years race will feature the return of a modified Granny Hill as well as a few course changes from the previous year. As always racers will have fun twisty single track with passing lanes thrown in.

Thanks to generous sponsor Revolution Cycle and Ski of St. Cloud MN, we will be giving away TWO COMPLETE BIKES in this years raffle. A Salsa Timberjack kids 24" and Timberjack NX1 adult bike will be raffled off in our fundraiser this year. Also all Kids Comp racers will get a free Jail Trail hat (until they are gone!) at the race. With the addition of our Kids Mud Puppies fun ride this year (Monday's at 5:30) it is our way of showing the support of the Mid MN Cycling Club to youth cycling.

We look forward to seeing all of our friends at the Jail Trail on Sunday. As always all funds go straight back to the trail! If you come to ride on Friday or Saturday please be aware that course marking will be in progress and riders should expect to move bikes over or under tape and must not alter course markings.
