

U.S. Paralympics Nordic Coaches Education Clinic

Join U.S. Paralympics and U.S. Paralympics Nordic National Team coaches at an adaptive coaches clinic aimed to facilitate growth of Paralympic Nordic athletes and programming throughout the Midwest.

Who: Nordic Coaches, volunteers, adaptive sport coordinators/instructors, parents, Nordic skiers and anyone interested in learning more about Paralympic Nordic Skiing

Date/Time: Tuesday December 20th 4-8 pm.

Please arrive 15 minutes prior for check-in

4-5:30 pm: on snow session & open ski for any interested adaptive athletes*

5:30-8pm: classroom session indoors

*equipment can be provided if notified in advance, email Bethann.chamberlain@gmail.com to do so

Location:

Snowflake Nordic Center,
4348 Rice Lake Rd, Duluth, MN 55811

Please register at: <https://www.zapevent.com/reg/event/12178>

Purpose and Goals of the Training:

- To provide best practices in coaching standing, sitting and visually impaired adaptive athletes in Nordic skiing, including guiding visually impaired athletes
- To facilitate the connection of U.S. Paralympics Nordic to Nordic coaches and Paralympic partners for the purpose of athlete development and future collaborations
- To provide an opportunity for local and regional coaches to become familiar in the latest developments in equipment and technique in adaptive skiing.
- To provide area Nordic coaches the knowledge and resources for athlete development in Paralympic Nordic
