***New* Matching Grant Challenge as Drive for 25 Makes Final Push to Raise \$100,000**

This year's NNF Drive for 25 fundraiser has raised **\$65,183** from **589** donations as we head into our final day tomorrow, Giving Tuesday, November 28th. This morning, a ***NEW*** matching grant challenge looks to help the entire US ski community power over the finishline of our goal to raise **\$100,000** from over **1000** donations.

A generous donor has stepped up to offer a \$10,000 match if we can raise \$30,000 before the end of the Drive for 25 Tuesday.

To Recap:

\$10,000 unlocked if we reach **\$30,000** raised through donations.

+ **\$65,183** already raised from **589** donations.

TOTAL = **\$105,000** raised (+\$5,000 over our goal!) from over **1000** individual donations towards the future of US Skiing through this year's Drive for 25!

Following the exciting weekend of World Cup action in Ruka that saw the US Ski Team medal and achieve personal bests all the way down, we're excited to have the opportunity to carry the momentum forward towards a bright future! Thank you for your support of the Drive for 25!
