

NORDIC SKI COACHES

Let's talk about the weather.

UNIVERSITY OF MINNESOTA RESEARCH STUDY

STUDY PURPOSE:

- We are seeking coach insights on the 2023-2024 season. We want to know how coaches adapted to challenging weather conditions. This research will **help other coaches** navigate such conditions and **ensure youth skiers have what they need.**

ELIGIBLE PARTICIPANTS:

- Were a Nordic ski head coach, assistant coach, novice coach, or team specialist in 2023-2024
- Coached at least one skier under 18 years old
- Coached in Minnesota, Wisconsin, or Michigan

PARTICIPATION INVOLVES:

- Completing a brief online survey

FOR COMPLETING THE SURVEY:

- Receive a \$5 giftcard or have \$5 donated to the ski non-profit of your choice!
